For CHES: A minimum of the past five (5) continuous years in active status as a Certified Health Education Specialist. (No additional documentation is needed)

For Non-CHES or CHES with fewer than five years active status AND five years experience:

1) A Master's degree or higher in Health Education, Public Health Education, School Health Education, Community Health Education, etc.,

OR

2) A Master's degree or higher with an academic transcript reflecting at least 25 semester hours (37 quarter hours) of course work in which the Seven Areas of Responsibility of Health Education Specialists were addressed.

PLUS

Five (5) years of documented experience as a health education specialist. To substantiate experience in the health education field, applicants must submit:

- 1) Two verification forms from a current or past manager/supervisor, and/or a leader in a health education professional organization
- 2) A current curriculum vitae/ resume

Any health education experience submitted by the applicant can be full-time, part-time and/or intermittent. Current employment at the time of application is not necessary, but the applicant must meet the requirement of five years experience.

On the verification form it must be indicated, and in the curriculum vitae/resume it must clearly be shown, that the applicant has been engaged in the Health Education Areas of Responsibility for at least five years (experience may be prior to completion of graduate degree).

MCHES® Certification:

Focuses on advanced skills to demonstrate leadership roles. Specifically, the MCHES® credential is hierarchical, meaning that MCHES® are competent in all entry-level (CHES®) skills, in addition to more advanced-level skills.
