

# Three journals are standard SOPHE membership benefits!

You can be part of a professional association that offers opportunities to publish your work, advance your understanding of evidence-based theory and practice and engage with fellow researchers and practitioners. The Society for Public Health Education (SOPHE) is the premier association dedicated exclusively to health education and health promotion.

Join SOPHE at [my.sophe.org](http://my.sophe.org) and take advantage of the following SOPHE membership benefits!

- Annual subscription to SOPHE's three peer-reviewed journals - 16+ publications
- Discounted registration fees to SOPHE's Annual Conference and Annual Advocacy Summit
- Reduced fees for continuing education opportunities in SOPHE's Center for Online Resources & Education (CORE), including journal self-studies and online courses
- Webinars on cutting-edge theory and practice
- Awards and scholarship eligibility for researchers, practitioners and students
- Networking via SOPHE's 14 Communities of Practice online forums
- Membership directory and connections to SOPHE affiliate chapters across the country
- Advocacy alerts, news and updates on the field
- Career center, resource guides and textbooks

## JOIN SOPHE TODAY!

Start your 30 days of free access to the entire SAGE Journals platform, which includes close to 1,200 titles.

# SOPHE Call for Papers

in Behavioral Sciences, Health Promotion & Education

Editor: **Jesus Ramirez-Valles, PhD, MPH**  
*San Francisco State University*  
[journals.sagepub.com/home/heb](http://journals.sagepub.com/home/heb)

**Health Education & Behavior (HE&B)** is a peer-reviewed, bimonthly journal that publishes authoritative empirical research and commentary on critical health issues of interest to a broad range of professionals whose work involves understanding factors associated with health behavior and evidence-based social and behavioral strategies to improve health status.

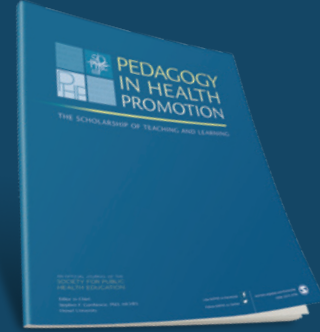

[mc.manuscriptcentral.com/heb](http://mc.manuscriptcentral.com/heb)

Editor: **Kathleen Roe, DrPH, MPH**  
*San José State University*  
[journals.sagepub.com/home/hpp](http://journals.sagepub.com/home/hpp)

**Health Promotion Practice (HPP)** is a peer-reviewed, bimonthly journal devoted to the practical application of health promotion and education. The journal is unique in its focus on critical and strategic information for professionals engaged in the practice of developing, implementing, and evaluating health promotion and disease prevention programs.

[mc.manuscriptcentral.com/hpppractice](http://mc.manuscriptcentral.com/hpppractice)

Editor: **Cheryl R. Merzel, DrPH, MPH**  
*New York University*  
[journals.sagepub.com/home/php](http://journals.sagepub.com/home/php)

**Pedagogy in Health Promotion: The Scholarship of Teaching and Learning (PHP)** advances pedagogy through contributions in areas such as curriculum and course/program design, assessment, and administration. Published quarterly, the journal welcomes works addressing the art and science of teaching and learning, and how it contributes to the formation and ongoing development of health promotion and public health professionals.
